Double your Money EASILY!

If you're involved in grass roots sport the chances are the costs of playing the sport you love are increasing all the time. That's why fundraising plays such a vital role. Raising money can be difficult involving time, financial risk and often a lukewarm response from your members. In that case welcome to **Fundrazor.com** - a company set up to make your fundraising easier, more fun and above all more successful.

Fundrazor.com are one most innovative fundraising companies in the UK providing you with high value low cost tickets to leading entertainment events and attractions, which you can sell on to family and friends to raise funds for your club. Very simply we combine great social events with the opportunity to raise a lot of money. So step away from the jumble sale and start raising money the smart way!
