REPORT ON EVENT 3

A new venue welcomed seven schools to the third Grand Prix at City of Ely Community College. The college sports leaders set up the pitches and organised the games refereeing and keeping the scores during the afternoon. Their help ensured the matches were enjoyed by all who attended, thank you for your help. Despite the cold weather the sun was shining and the conditions were good for the event.

The matches were shortened slightly as the turnaround between matches was longer than expected but all the teams played 6 matches and seemed to be enjoying their afternoon of football.

We hope the players are gaining confidence and developing through their training and playing in these grand prix events. If any players are looking to play for a team outside of school hours then please ask them to get in touch and I will be happy to introduce them to a local club. They can call or e-mail me:

Once again there were some very close competitive matches and we hope all the players and teachers enjoyed the event.

The next event will be at

**St Bedes Inter Church School
Birdwood Road
Cambridge
CB1 3TD**

3pm to 5pm on Thursday 18 March 2010
